EXPERIENCE

Masu Internet

July 2017 - August 2017

Web Development Intern

- Cooperated with other interns to redesign the website of STUF United, a non-profit organization.
- Streamlined the website's layout and design to provide easier access to critical information.
- Cooperated with another intern to create a life insurance quote website with a survey that collects participant information into a database.
- Communicated with clients to ensure that websites created met their standards.

New York Blood Center

July 2015 - September 2015

Donor Manager

- Provided paperwork to blood drive donors and addressed any concerns or questions raised.
- Managed the flow of donors entering and leaving the donation area using a ticket system
- Accompanied donors who finished donating to a resting area and observed them for signs of fainting.
- Maintained resting area by restocking food and drinks.

Brooklyn Chinese Association

July 2012 - September 2012

Teaching Assistant

- Supervised and delegated classwork to students ranging from 1st to 12th grade.
- Motivated and coached students who were struggling to understand key concepts required for classwork or homework.

SKILLS

- Microsoft Word, PowerPoint, Excel
- Java, Python, Ruby, HTML, CSS, JavaScript

ACTIVITIES

- Stony Brook Computing Society
- Un-Hackathon 2015, 2017
